## CHATHAM HOUSE RULES

When a meeting, or part thereof, is held under the Chatham House Rule, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed.

## MEDIA POLICY

If you are media, a podcaster, writer or blogger, the Roundtable is considered "off the record". Please speak to the organizers (and your subjects) before posting on social media about the content discussed. If any unauthorized recording/posting is discovered you will be asked to remove the posting and delete the content from your recording device. At the Satoshi Roundtable we work hard to find a balance between transparency and the privacy necessary to facilitate open frank discussion. Recording is only allowed with prior approval from the organizers.

Please keep streaming and video/ audio to the dedicated section of the hotel property.

## CODE OF CONDUCT

Pitching is strictly prohibited unless specifically requested by another attendee. Repeated violations will result in removal from the event. The Satoshi Roundtable is a retreat, not your typical conference. As such, we ask you to observe the Code of Conduct 24/7. Be considerate, respectful, and collaborative. Refrain from demeaning, discriminatory, or harassing behavior and speech. Be mindful of your surroundings, and your fellow participants. Alert security if you notice a dangerous situation, or someone in distress.

The Roundtable enforces a strict code of conduct aligned with the laws of the host country. Organizers reserve the right to remove attendees for unethical behavior or engaging in illegal activities. Violators will be escorted from the venue.

## NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

We are committed to providing a conference experience where everyone is treated with respect, free from discrimination or harassment based on race, color, gender, ethnicity, ancestry, national or cultural origin, religion, creed, sexual orientation, and expression, pregnancy, age, disability, physical appearance, body size, genetic information, veteran or military status, marital status, citizenship status or socio-economic status, or on any other legally prohibited basis.

Discrimination or harassment of conference participants will not be tolerated in any form. Conference participants violating this rule may be sanctioned or expelled from the conference without a refund at the discretion of the conference organizers.

Harassment includes, but is not limited to: offensive verbal comments, sexual images visible in public spaces, deliberate intimidation, stalking, following, harassing photography or recording; sustained disruption of talks or other events; inappropriate physical contact, and unwelcome sexual attention.

## REGISTRANT GUESTS

All plus one guests must be registered and paid for through the Cvent registration portal. The "Add a Family Resort Pass" option is for spouses and significant others only, and cannot be used for industry guests. Industry guests require pre-approval and cannot be registered through the "Add a Family Resort Pass" feature. To attend sessions, they must register separately. Only badged attendees can attend the unconference sessions. Badge sharing or duplication will lead to removal from the event.

## TERMS AND CONDITIONS

If any attendee has a personal issue with another attendee, they can leave the event or they can detail the specific reasons in writing and, based on our sole discretion, we would give the other attendee the opportunity to review and respond to the concerns. We will typically not take action against or ban an attendee based on third party or anonymous claims, events or business deals outside the scope of our event or without giving them a fair opportunity to respond. We have full final discretion on what if any action will be taken in response to any complaint and as to whom we will invite to the event. We reserve the right to ask anyone to leave the event.
